*__Full day Corcovado & Sugar Loaf with lunch:__

After a scenic ride along the Rodrigo de Feitas Lagoon,people arrive at the Cosme Velho district,where they board a cog-train, which takes them,right through the Tijuca Forest, to the top of Concovado(hunchbach)mountain. On their way up,people can enjoy beautiful glimpses of the Guanabara Bay,the Rodrigo de Freitas Lagoon,the beach of Ipanema and Leblon and the Rio-Niteroi Bridge.Arriving to the base of the Statue of Christ the Redeemer, people will have a 360 degree stunning view over the city. Return to the hotel along the famous beaches Bara da Tijuca,Leblon,Ipanema and Copacabana.

*__Half day favela tour and hike:__

This fascinating walking tour takes you into the *favela* (shanty town) of Pavão-Pavãozinho, which stands on a hill overlooking Copacabana beach. As you climb the steep steps that lead up through the favela, you?ll see and learn about various aspects of everyday life in the community. The second part of the tour consists of a light hike that starts at the very

top of the hill, passing through a tropical forest with stops at viewpoints for breathtaking panoramas over Rio, the beaches of Copacabana and Ipanema, Rodrigo de Freitas lagoon, the iconic statue of Christ the Redeemer, and the famed mountain of Sugar Loaf. Before the end of the tour you?ll make a short stop at a local bar/restaurant for refreshments.

Duration: 3 hours, starting at 09:00 from your hotel.

Included in the tour: English-speaking guide accompanied by boys or girls from the local community.

*__**Half day Samba and Carnival tour:**__

Rio is famous worldwide for its lively annual Carnival, as well as the national rhythm of samba. This tour takes you to the places where these two icons of Brazilian culture originated. First you visit the historic site in Rio?s harbor area where samba began, then head to the *barracão* (Carnival workshop) of a samba school. Here you?ll witness the marvelous work that goes on behind the scenes, and see the extraordinary creativity of the various artists who construct the floats and prepare the costumes around a theme for the world?s biggest party.

Included in the tour: pick-up (at either 09:00 or 14:00) and drop-off at your hotel, an English-speaking guide, entrance fees to the Carnival workshop.

*__**Amazon Clipper Cruise:**__

Package 3D/2N

Day 1 | Monday - Meeting at the lobby of the Tropical Hotel at 14:00 hrs. Boarding and depart toward Amazon River while we enjoy a welcome drink and listen to the information about route and facilities. After a snack we meet us in the leisure room for lectures about Amazon where we will get a good start on understanding Amazon ecology while the vessel take us the Amazon upstream. Before dinner we may already ordered a caipirinha, the national drink of Brazil. After dinner we will

explore the river`s edge with powerful searchlights and we see caiman, close relatives of crocodile, sometimes including night-hawks, snakes, toro-rats, sloth and frogs.

Day 2 | Tuesday - We wake up in the Janauaca Lake and start an early exploration by canoe of the waking forest. We will keep our eyes open for birds and enjoy the Pink River Dolphins. We return for breakfast followed by a walk in the forest and a visit to the inhabitants of the lake who live from manioc plantations, fishing, diverse fruit trees, rubber, Brazil-nut trees, wood and other extractive products. The piranha fishing in late afternoon is not only for passionate anglers then there are good chances of seeing Hoatzins and large flocks of egrets. After dinner we will explore the forest in our canoes with the possibility of observing nocturnal animals and admire at the millions of stars and constellations of the southern hemisphere.

Day 3 | Wednesday - A last exploring for bird-watching and good chances to see the Victoria Regia, the giant water lilies in the January Ecological Park. We explore the mysterious flooded forest by canoe or walking on catwalks, observing wildlife in the trees and in the water. While we enjoy the breakfast the boat starts navigation toward the "Meeting of the Waters". A unique spectacle where the bright colored water of the Amazon and the dark water of the Negro flows side by side without mixing for many miles. Now we return to the Tropical landing stage while we past Manaus port, with views of the floating docks, market, old custom house and the dome of the Opera house, arriving at 11:30 am. End of the services.

Informatie ivm mosquito's :

*Amazon Clipper: vanwege het hoge zuurgehalte van de rivieren die de Clipper zijn er geen mosquitoes.

*Amazon Ecopark Lodge: alle ramen van de lodge zijn “netted”

*Pousada Rio Claro: alle ramen van de lodge zijn ook “netted”

In de steden komen weinig mosquitoes voor en zijn de ramen niet “netted”.

De ergste periode qua mosquitões is gedurende het regenseizoen; oftewel van Januari tot en met maart ongeveer voor zowel de Amazone als de Pantanal.
