Voorwoord

Beste klant,

Met enige fierheid kunnen we hier ons zeer uitgebreid assortiment voorstellen. Wij zijn zonder twijfel één van de grossiers met het grootste assortiment permanent op voorraad en dit assortiment zorgt jaar na jaar voor stijgende omzetcijfers!

Deze lijst omvat:

1. Alle grote merken, meestal hun volledig gamma en mocht er iets ontbreken in ons assortiment, dan bestellen we het graag voor u!
2. Alle goedkope merken, gaande van “Winny” tot “Best of”, of een goedkoop leveranciersmerk (alles aangeduid met icoontje euroteken ernaast).
3. Specialiteiten en exclusiviteiten van onze firma, waarmee u het verschil kunt maken t.o.v. uw concurrenten.

De prijzen ontbreken hier in deze catalogus, maar u kunt ze raadplegen op onze e-commerce. Vraag hiervoor uw login en wachtwoord, en u kunt aan de hand van het artikelnummer, de EAN-code of de omschrijving het product terugvinden op onze bestelwebsite. Wie een scanner aan zijn computer of laptop aansluit, kan zo snel de EAN-code van deze orderset inscannen en bestellen online (scanner op aanvraag bij ons te verkrijgen). Eenvoudig, snel en juist!

Deze catalogus is uiteraard een momentopname. Wijzigingen kunnen ondertussen gebeurd zijn. Online is alles up-to-date.

We hopen dat dit aanbod uw interesse wekt en zijn ervan overtuigd dat deze producten samen met onze Private Label en exclusiviteiten zullen zorgen voor een zeer goede verkoop en klantgetrouwheid aan uw winkel.

Steeds klaar voor verdere inlichtingen.

2. Toutes les marques bons marchés : Winny, Best of, … ou une marque bon marché du fournisseur (indiqué avec l'icône euro).
3. Spécialités et exclusivités de notre société avec lesquels vous pouvez faire la différence face à vos concurrents.

Les prix ne sont pas indiqués dans ce catalogue, mais vous pouvez les consulter sur notre e-commerce. Demandez votre login et mot de passe pour vous connectez. Vous retrouverez les articles à base du numéro d'article, du code-barre ou de la description. Vous pouvez aussi connecter un scanner à votre ordinateur pour scanner le code EAN indiqué dans le catalogue pour ensuite passer votre commande en ligne (scanner à obtenir chez nous sur demande). Simple, efficace et correct !

Ce catalogue n'est qu'un moment arbitraire. Les articles peuvent varier entretemps.
