BUILDING FACING THE BEACH

Zeebrugge - Belgium

Problem

Small 3-storey building facing the beach. In May 2022, after rigorous preparation, repairs, cleaning and moss control, the new Resilox façade system from Libert Paints was applied.

- V1 breathability
- Pearl lotus effect finish to withstand the heavy rain of the seafront

System

Pre-treatment: cleaning and anti-foaming.

- Primer: **Resilox V1 Fixprim**
- Top coat: **Resilox V1 Finish**
