Degrease

Article code : ECOAR0684

Usage

Prof Line Ecowise Degrease is a concentrated, environmentally friendly degreaser for cleaning and removing dirt and grease from water-resistant surfaces in professional kitchens, such as floors, kitchen utensils, cooker hoods, grills and pans. Ecowise Degrease is very suitable for the hygienic cleaning of work surfaces that come into contact with food. It does not leave traces. Ecowise Degrease's concentrated formula makes it economical. It can be used diluted or undiluted. Degrease does not contain perfume nor colouring agents and is suitable for use in the food industry. Ecowise Degrease is part of the Prof Line Ecowise gamma and has obtained the European Ecolabel.

Instructions for use: Spray Degrease on the dirty surface and allow to work in for two minutes. Now rinse with clean water and dry with a clean, dry cloth. Avoid prolonged contact with plastic, painted or polished surfaces, aluminium and linoleum.

Dosage: ready for use
