Essenso DISH RINSE

Article code : ECOVL0515

Usage

Prof Line Essenso Dish Rinse is an environmentally friendly, professional high-quality rinse agent. Essenso Dish Rinse provides streak-free and fast drying of all dishes and a brilliant shine to your dishes. Essenso Dish Rinse also contains agents that prevent the formation of foam so that the washing power of the dishwasher is guaranteed.

Instructions for use: it is strongly recommended that the product is used with a Prof Line dispenser. Essenso Dish Rinse is suitable for all types of dishes, such as glass, plastic, stainless steel, etc. Optimum results are achieved when combined with Prof Line Ecowise Sereno Dish Wash.

Dose according to the level of pollution and the water hardness. Follow the dosage instructions. By using this product with EU-Ecolabel according to the dosage instructions, you contribute to reducing water pollution and waste production.

Water hardness	gr/L water
soft water	0,1 - 0,2
normal water	0,8 - 1,1
hard water	1,5 - 2
