Floor CLEANER

Article code : ECOVR0701

Usage

Prof Line Ecowise Floor Cleaner is an environmentally friendly, professional floor cleaner that removes all grease and dirt from washable surfaces. Ecowise Floor Cleaner can be used in a scrubber dryer. Ecowise Floor Cleaner thoroughly cleans all floors, is easy on materials, results in a shiny effect, dries without streaks and leaves a fresh scent. Ecowise Floor Cleaner is part of the Prof Line Ecowise product range and has the European Ecolabel.

Instructions for use: apply Ecowise Floor Cleaner according to the correct dosage in the water, according to the degree of pollution. Clean the surface and let it dry. It is not necessary to rinse. Ecowise Floor Cleaner is a concentrated product and in comparison with regular products, there is only a small quantity needed to clean your floor perfectly.

Dosage: 25ml/10L water, according to the degree of pollution. The dosage is 1.5 to 4 grams / L water in a scrubber dryer. Dosage depends on the degree of pollution.
