Sereno Dish Wash

Article code : ECOVL0415

Usage

Prof Line Sereno Dish Wash is an environmentally friendly, professional, liquid dishwashing detergent without chlorine. Sereno Dish Wash is suitable for all types of alkali-resistant dishes, all industrial dishwashers and all water hardnesses. Sereno Dish Wash contains cleaning agents that guarantee you achieve an excellent result with a normal amount of dirt. Sereno Dish Wash contains anti-scale agents so your dishwasher is protected in the long-term against limescale and corrosion.

Instructions for use: it is strongly recommended that the product is used with a Prof Line dispenser. Prof Line Ecowise Sereno Dish Wash is suitable for all types of alkali-resistant dishes, such as glass, plastic, stainless steel, etc. Prof Line Ecowise Sereno Dish Wash is not suitable for light metals, such as aluminium and copper. Optimum results are achieved when combined with Prof Line Ecowise Essenso Dish rinse.

Dose according to the level of pollution and the water hardness. Follow the dosage instructions. By using this product with EU-Ecolabel according to the dosage instructions, you contribute to reducing water pollution and waste production.

Water hardness	gr/L water
soft water	1
normal water	1,8
hard water	2,4
